## Aims and Scope

The Majestic American Journal of Chemistry (MAJC) is an international, peer-reviewed journal dedicated to publishing high-quality, original research articles, review papers, and short communications in all major areas of Chemical Sciences. The journal aims to promote scientific innovation, interdisciplinary research, and the practical application of chemistry in addressing global challenges in health, industry, environment, and technology.

# Call for Papers

The American Journal of Chemistry (MAJC) invites submissions of original research articles, review papers, short communications, and perspectives that advance knowledge in Chemical Sciences and their practical applications.

The journal focuses on innovative and interdisciplinary research in analytical, organic, inorganic, physical, environmental, medicinal, pharmaceutical, industrial, and materials chemistry, including sustainable and applied chemical solutions.

### JOURNAL METRICS

<b>Final Decision</b>	45 days
<b>Publication Type</b>	Peer Reviewed
<b>Publishing Model</b>	Open Access
<b>Journal Category</b>	Chemical Sciences
<b>Article Processing Charge</b>	All articles published in this Volume will be free of charge

## Recommended topics for submission

- ▶ Organic Synthesis and Reaction Mechanisms
- ▶ Nanomaterials and Advanced Materials Chemistry
- ▶ Environmental Chemistry and Pollution Control
- ▶ Electrochemistry and Energy Storage Materials
- ▶ Analytical Chemistry and Chemical
- ▶ Green and Sustainable Chemistry
- ▶ Pharmaceutical and Medicinal Chemistry
- ▶ Computational and Theoretical Chemistry
- ▶ Biochemistry and Biomolecular Research
- ▶ Industrial and Applied Chemistry
