## Aims and Scope

The Majestic American Journal of Mathematics and Physics (MAJMP) is dedicated to publishing original research in both pure and applied mathematics, as well as theoretical and experimental physics. It provides a platform for innovative work that enhances understanding of fundamental scientific principles. The journal encourages interdisciplinary studies bridging mathematics and physical sciences.

# Call for Papers

Majestic American Journal of Mathematics and Physics (MAJMP) invites researchers, academicians, and professionals to submit original research articles, review papers, and short communications for upcoming issues in the fields of Mathematics, Physics, Applied Mathematics, Theoretical and Experimental Physics, Computational Sciences, Statistics, Astrophysics, Quantum Mechanics, Mathematical Modeling, and related interdisciplinary research areas.

JOURNAL METRICS	
Final Decision	45 days
Publication Type	Peer Reviewed
Publishing Model	Open Access
Journal Category	Mathematics & Physics
Article Processing Charge	All articles published in this Volume will be free of charge

## Recommended topics for submission

- ▶ Artificial Intelligence in Mathematics & Physics
- ▶ Data Science & Computational Mathematics
- ▶ Quantum Computing & Quantum Mechanics
- ▶ Applied Mathematics in Engineering
- ▶ Nonlinear Dynamics & Chaos Theory
- ▶ Mathematical Modeling & Simulation
- ▶ Nanotechnology & Material Physics
- ▶ Relativity & Theoretical Physics
- ▶ Renewable Energy Physics
- ▶ Astrophysics & Cosmology
