

CALL FOR PAPERS

Majestic Journal of Pharmacology and Toxicology (MJPT)

The Majestic Journal of Pharmacology and Toxicology (MJPT) is a distinguished international, peer-reviewed, open-access journal committed to advancing scientific knowledge and publishing high-quality research in all domains of pharmacology, toxicology and biomedical sciences. The journal serves as a comprehensive platform for researchers, clinicians, toxicologists, academicians and industry professionals to share discoveries that advance drug development, therapeutic innovations, toxicological safety evaluation and evidence-based medical practice.

Aim & Scope Includes:

- Molecular & Cellular Pharmacology
- Pharmacokinetics, Pharmacodynamics & Drug Metabolism
- Drug Design, Development & Targeted Delivery
- Toxicology & Safety Pharmacology
- Nanotoxicology & Biomaterials Safety
- Neuropharmacology & Behavioral Pharmacology
- Clinical & Experimental Pharmacology
- Pharmacogenomics & Personalized Medicine
- Immunopharmacology & Inflammation
- Cancer Pharmacology & Chemotherapeutics
- Natural Products & Ethnopharmacology
- Pharmacometrics, Pharmacoeconomics & Pharmacoepidemiology

Why Publish with MJPT?

- Interdisciplinary, globally relevant platform
- Rigorous double-blind peer review
- Fast-track publication & open access
- Enhanced academic visibility

Submission Deadline

Submit till 31st July 2026 to enjoy free open access publication, Fully funded by the publisher.
