Aims and Scope

The Majestic American Journal of Nanotechnology (MAJN) is a peer-reviewed journal dedicated to publishing high-quality research in nanotechnology, nanoscience, materials science, and related interdisciplinary fields. The journal aims to promote scientific innovation and technological advancement in nanoscale research and applications. It provides an international platform for researchers, academicians, and industry professionals to share cutting-edge discoveries and developments in nanomaterials, nanomedicine, nanoelectronics, biotechnology, and advanced functional materials.

Call for Papers

MAJN cordially invites researchers, academicians, scientists, and industry professionals to submit original research articles, review papers, short communications, and perspectives that advance knowledge in nanotechnology and related interdisciplinary fields. The journal welcomes cutting-edge research on topics including nanomaterials, nanomedicine, nanoelectronics, nanobiotechnology, energy nanotechnology, advanced functional materials, nanosensors, and emerging applications of nanoscience and nanotechnology.

JOURNAL METRICS

Final Decision	45 days
Publication Type	Peer Reviewed
Publishing Model	Open Access
Journal Category	Nanotechnology, Nanoscience, and Advanced Materials Sciences
Article Processing Charge	All articles published in this Volume will be free of charge

Recommended topics for submission

- ▶ Nanobiotechnology & Biomedical Applications
- ▶ Industrial Applications of Nanotechnology
- ▶ Energy & Environmental Nanotechnology
- ▶ Green Nanotechnology & Sustainability
- ▶ Computational Nanoscience & Modeling
- ▶ Nanomaterials & Functional Materials
- ▶ Nanomedicine & Drug Delivery
- ▶ Nanoelectronics & Nanosensors
- ▶ Nanocomposites & Smart Materials
- ▶ Quantum Dots & Nanophotonics
