## Aims and Scope

The Majestic Journal of Applied Engineering and Technology (MJAET) is a peer-reviewed journal publishing research in applied engineering and technological sciences. The journal aims to promote innovative, practical, and sustainable solutions across diverse engineering fields. It provides an international platform for researchers and professionals to share advancements in engineering, technology, and emerging applied sciences.

# Call for Papers

MJAET cordially invites researchers, academicians, engineers, and industry professionals to submit original research articles, review papers, short communications, and case studies that advance knowledge in applied engineering and technology. The journal welcomes contributions in areas including mechanical, civil, electrical, computer, and industrial engineering, as well as robotics, artificial intelligence, automation, renewable energy systems, and emerging technological innovations.

### JOURNAL METRICS

<b>Final Decision</b>	45 days
<b>Publication Type</b>	Peer Reviewed
<b>Publishing Model</b>	Open Access

<b>Article Processing Charge</b>	All articles published in this Volume will be free of charge

## Recommended topics for submission

- ▶ Industrial Engineering & Operations Management
- ▶ Computer Engineering & Artificial Intelligence
- ▶ Communication Systems & Signal Processing
- ▶ Robotics, Automation & Control Systems
- ▶ Materials & Manufacturing Engineering
- ▶ Emerging Technologies & Smart Systems
- ▶ Electrical & Electronic Engineering
- ▶ Mechanical Engineering & Design
- ▶ Renewable & Sustainable Energy
- ▶ Civil & Structural Engineering
